

# MEETING EDUCATION AND EMPLOYMENT NEEDS IN THE RENEWABLE & CLEAN TECH SECTORS

2 – 4 November 2010 • SUNTEC, Singapore

Jointly organized by Sustainable Energy Association of Singapore (SEAS) and Koelnmesse, **Clean Energy Expo Asia (CEEA)** brings you a unique trading and knowledge-sharing platform for the Clean Energy Industry in Asia-Pacific. The Trade Fair and Conference brings together the leading players in the High-Tech, Services, Finance and Government sectors to address key issues in the area of Renewable Energy, Energy Efficiency and Sustainable Development in the Asia-Pacific region. CEEA is also the anchor event of the **Singapore International Energy Week (SIEW)**, where policy makers, academics and industry players exchange ideas on energy options and strategies for the future.

## What you will **achieve**

- A **creative avenue** to heighten branding awareness and profile your institution or company to a targeted pool of manufacturers, job seekers and students in the Clean Tech industry.
- A **two-way educational experience** where the industry gets to understand employment trends and expectations of job seekers and job seekers get to understand the development of the Clean Tech industry.
- Educational sectors get to **increase student recruitment** while private and public organizations **acquire human resources**.
